

### ASKS CITY FOR 500 NEW FIRE FIGHTERS

Commissioner Drennan Says That  
Number Will Complete Two  
Platoon System.

Fire Commissioner Thomas J. Drennan forwarded to Mayor Hylan as Chairman of the Board of Estimate, today, a resolution for \$413,378 with which to appoint 500 additional firemen at the rate of \$150 a month and also to promote fifty Lieutenants and nineteen engineers in order to complete the two platoon system of duty in the Fire Department.

Of the forty-seven battalions throughout the city, the officers and firemen in all but twelve have been for some time enjoying the benefits of two platoons. There is pending now before Gov. Smith a State bill making two platoon system in cities of the first class mandatory.

Commissioner Drennan said today: "It matters little whether the Governor signs that bill or not, as two platoons will have been installed throughout this department before the bill takes effect on Jan. 1, 1921."

Included in the resolution for additional men is a provision for a reserve force of at least 10 per cent. of the entire personnel.
